

Product Information:

ADA ImPACT Acoustical Wall Panels are designed for use in high abuse areas requiring sound absorption. A sheet of perforated co-polymer under the fabric allows sound absorption while withstanding many forms of punishment. Use in gymnasiums, hotels, multi-purpose rooms – anywhere requiring a durable, acoustically absorbent panel.

Construction:

This panel features a dimensionally stable 6-7 PCF fiberglass core with a 1/16" resilient perforated co-polymer face sheet. Panels are finished with Class A-rated fabric and arrive ready-to-install in any commercial application. Finishes are completely adhered to the face of the panel and returned to the back for a full finished edge. All corners are fully tailored. Finishes include fabric and vinyl.

Size Availability:

Available in 1/2", 3/4", 1", 1-1/2", 2", 3" and 4" thicknesses, plus 1/16" perforated co-polymer face sheet. We can accommodate custom sizes and shapes up to 5'x10'.

Edge Detail:

All edges are resin hardened, unless otherwise specified. Available choices include: square, radius, and bevel corners.

Mounting:

Standard mountings include spot and perimeter adhesive, Z-Clip, concealed splines, impaling clips, hook & loop, and Z-Bar to Z-Bar.

LEED Eligible Product:

Use of this product may help buildings meet green building standards as set by the Leadership in Energy and Environmental Design (LEED) Green Build Rating System.

Flammability:

Each component has been tested in accordance with ASTM E84 and has a Class I/A rating.

NRC Ratings:

Thickness	NRC
9/16"	0.50
13/16"	0.65
1 1/16"	0.80
1 9/16"	0.90
2 1/16"	1.05

Our products are constantly modified to achieve their maximum acoustical performance while providing the aesthetics desired in their applications. Panels are available in a variety of thickness, and their performances are tested in accordance to ASTM procedures in a NVLAP accredited laboratory.

Warranty:

ADA ImPACT Acoustical Wall Panels have a limited 1-year warranty starting from date of shipment. The panels are warranted to be free from defects in material and workmanship.

See product warranty for details and limitations.
